**Subject:** Additional Comments on Draft Permit Conditions and TSD  
**Attachments:** EPAComments on CMCSteelPackageREV1115.docx; CMC Draft Permit(1.1.0.0)\_LWComments.docx

Hi Ralph: As promised, I have reviewed the draft permit conditions and am attaching additional comments. In general, the permit is going to require some work to bring it into alignment with our PSD permitting guidelines. If you want to discuss my comments further, please let me know and we can set up a time.

Also, I need to let you that my supervisor, Gerardo Rios, is also looking the BACT Analysis performed by the applicant and he may have additional comments.
